ABOUT US

Mkhonto Wethu Trading (Pty) Ltd, trading as Eco Chemical Solutions, proudly hails from the Eastern Cape, our home since our establishment in 2017. While deeply rooted in the Eastern Cape, our commitment extends nationwide, serving the entire South African market.

Our core expertise encompasses a wide range of services: top-notch hygiene and cleaning solutions, cleaning products, pest control, brushware, workwear, footwear, and personal protective equipment (PPE). We also offer expert water treatment services, catering to both businesses and households.

At Eco Chemical Solutions, we take immense pride in delivering premium bacterial-based cleaning products, versatile general cleaning supplies, and specialized protective gear.

We hold a unique position in the Eastern Cape as the exclusive supplier of vibrant cleaning products and protective wear to our region, including the East London Border Region and Transkei Region.

Our success is driven by our dynamic team of innovators who wholeheartedly embrace Eco Chemical Solutions' vision and mission. Together, we remain steadfast in our dedication to fostering a cleaner, safer, and more vibrant South Africa.
